**You've heard of 'The Thunder From Down Under...' Get Ready for....The Love From Above!**

Its's true what they say about the cold, but fortunately these two Canadian men have mastered the art of hot nights indoors, if you know what I mean. Come join Jason Thompson & Dominic Zamprogna for a night of ...ssshhhh... this stays between us! - Jason & Dominic

**GHFC 50th Anniversary Celebration continues with an event hosted by Dominic Zamprogna & Jason Thompson  
Saturday , July 27, 2013 from 9pm-midnight  
\$105.00 per person**

This year I will allow you to combine money orders. You may send only 1 money order for all the events you are attending that I am hosting. However you must send an order form for each event / please do not combine them. Only the money order! If you want to sit together you "must" purchase your tickets together. Please do not ask to be seated with someone if you did not purchase your ticket with that person or group. Once tickets arrive, seats cannot be added to a particular order. No exceptions. Each order must include the name and all required information for every single ticket purchased. Required information will be name, address, city, state and email address. No information = no ticket. This includes orders for several individuals being mailed to one address. Use the back of this form if you need extra room to list this information. No SASE this year as we are going green. Your ticket/confirmation will be emailed to you. Again, a name, address, city, state and email address for point of contact MUST be included for EACH TICKET SOLD.

Please print out and use the ticket order form for each event requested. **Mail this order form and payment (ONLY MONEY ORDERS ARE ACCEPTED AND THEY MUST BE MADE OUT TO DEBBIE MORRIS TO BE PROCESSED) to:**

(Event Name)

**\*\*\*ALL Tickets are non-refundable\*\*\***

Please do not send your order with "signature required" -

It will only delay your order and eventually be returned to you by the postal service. Thank you!
